The Duroc pig is of European descent with ancestors from Spain and Guinea. These animals were crossed in America with red Jersey pigs. The meat of Duroc pigs is characterized by a high proportion of intramuscular fat. This quality feature is recognizable to the naked eye by the fine marbling of the meat. Our pig comes from a breeding in Austria.

KIDS PROGRAM

Good morning dear children!

Are you ready for a FAMILY DAY with us at the farm?

Today's schedule:
09.00 o'clock - let's go with the pony rides.
10.15 am today we meet right in front of the hotel for our family hiking day! Luci makes with you a leisurely hike with great games in nature!
On our alpine pasture there is then a refreshment; Maria makes for you a fresh Kaiserschmarrn. Afterwards you can expect a family competition with self-made games. Between 2 and 3 pm we will be back at the hotel.
All children who do not want to join the hike, can take part in Christina's varied handicrafts and games program.
At 3 p.m. you will meet again with Merlin and Casanova for pony riding.
Have fun riding with our 2 ponies.

We ask for a registration for the family walk!

Have a great vacation!!!
