

CHILDREN'S PROGRAMME ON TUESDAY

Good evening dear children!

Steffi is there for you on Tuesday! - If you would like to take part in our children's programme, please register with us at reception :).

The programme starts at 1pm - we'll be doing crafts together! Then at 3 pm you go to the small animal stable to stroke the animals.

Then it's off to our ponies Casanova and Merlin at 4pm. They will be groomed and saddled together and then everyone who wants to can take turns riding a few rounds.

At 6pm, anyone who wants to can eat with Steffi in the children's restaurant. If you would like to join us for dinner, please contact reception or Steffi.

At the end of the day, games will be played in the games room from 7pm to 9pm.

Have a great evening everyone!

NICE TO KNOW

Taleggio was named after the valley in which it was invented: Val Taleggio near Bergamo. The inhabitants of the valley invented the soft cheese to preserve cow's milk for longer. They initially stored the cheese - similar to Gorgonzola - in the cool, damp caves of the Alps and it was in this climate that the characteristic red mould developed. The flavour of red smear cheese is intensely strong and very tangy.
